

Conference Call Bingo

make every conference call remarkable

 “Hello? Anyone there?”	 “So, the most important thing to remember is” <i>(audio cuts out)</i>	 “Can you hear me?”	 “I’ll just piggyback off of what <name> said ...”	 Sound of someone typing <i>(possibly with a large hammer)</i>
 “Sorry guys, I have to jump on another call.”	 “Sorry, you cut out there.”	 Awkward silence	 “Are you there <name>?”	 “I don’t think <name> has joined yet.”
 “Sorry I’m late.” <i>(insert lame excuse about internet not working)</i>	 “Uh, <name>, you’re still sharing your screen.”	 “Sorry, I was on mute.” <i>(pretty much a free square)</i>	 “Sorry, go ahead.” <i>(for those gifted in rambling)</i>	 “Can you go to the next slide, please?”
 Unreasonably loud echo or feedback	 Barking dog or crying child	 “Can we take this off line?”	 “Can everyone see my screen?”	 3 or more people talking at one time
 “Sorry, didn’t catch that, can you repeat?”	 “Can you email that to me?”	 “I’ll have to get back to you on that.”	 “I have a hard stop at ...”	 “Hi, who just joined?”
